

The world has completely changed since our last newsletter! Coronavirus COVID-19 now dominates our lives, with most of us working from home and juggling our children's education at the same time. BCECA continues to operate with Conni and Tracey both now working remotely. You can still contact us both by email or you can call Tracey on her mobile: 07793 019746. For the foreseeable future, all BCECA committee meetings will be held online. The first of these was successfully piloted by the Young Engineers' Committee on 19th March and the Information Managers on 31st March.

IR35 Update

As a result of the impact of Coronavirus on British businesses, on 17th March the Government announced that the reform to the off-payroll working rules, that would have applied for people contracting their services to large or medium-sized organisations outside the public sector, would be delayed for one year from 6 April 2020 until 6 April 2021.

BCECA New Directors

BCECA has recently appointed two new Directors to its Governing Board:

- Graeme Ormiston - Director of Project Services for Worley UK Energy & Chemicals Services business. Graeme is a member of their UK-wide leadership team and the BCECA Council representative.
- Andrew Amos - Appointed as an Independent BCECA Board Member. Andrew served as a Director, President, Vice Chairman and Vice President of the Tank Storage Association from 2009 – 2019. He also served as President and Treasurer of the Federation of European Tank Storage Associations from 2005 - 2015.
