

ECITB T&D Awards

BCECA sponsored the Graduate Learner of the Year Award at the recent ECITB Training and Development Awards event. This was held at the Marble Arch Montcalm Hotel and was hosted by TV presenter and engineer, Rob Bell. The Graduate Learner trophy was presented by BCECA's Young Engineers' Committee Chair, Celine Dischamps of Johnson Matthey. The recipient of the award was Edward Webster, a Materials and Components Testing Consultant within the Materials Science and Structural Integrity department of Wood's nuclear business in Knutsford.

New BCECA Website launched

On Monday 2nd December BCECA launched its new-look website which has been designed and produced in association with Cogent Communications and Web Growth. The new site contains information about BCECA, its history and governance, the committees, Members, key issues and resources. Links to BCECA's Twitter and LinkedIn accounts are also included.
