

New Supplier Grade of Membership

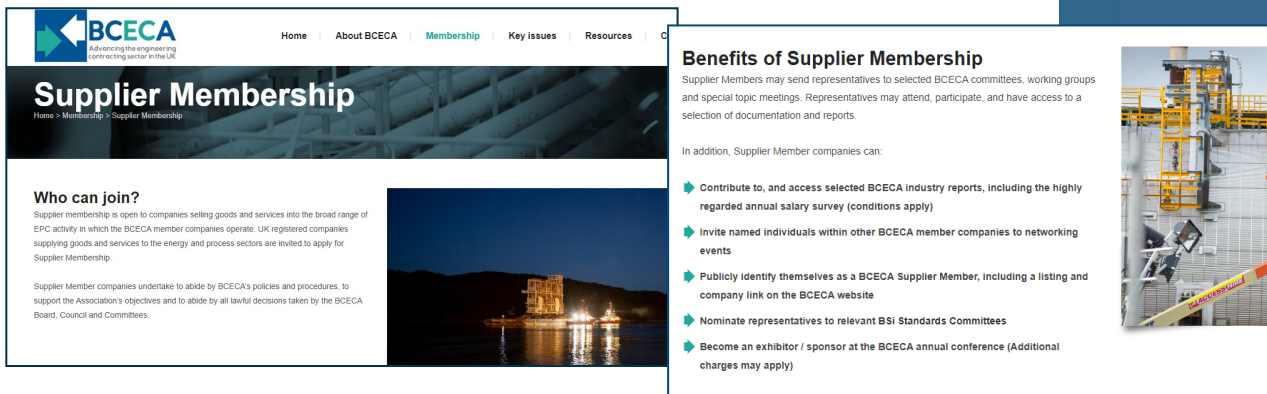

In recognition of suppliers' essential contribution to the engineering contracting sector, the BCECA Council recently approved a new route to membership for UK registered companies supplying goods and services into the broad range of EPC activity in which the BCECA member companies operate.

Supplier Members may send representatives to selected BCECA committees, working groups and special topic meetings. In addition, Supplier Member companies can:

- ◆ Contribute to, and access selected BCECA industry reports, including the highly regarded annual salary survey (conditions apply)
- ◆ Invite named individuals within other BCECA member companies to networking events
- ◆ Publicly identify themselves as a BCECA Supplier Member, including a listing and company link on the BCECA website
- ◆ Nominate representatives to relevant BSI Standards Committees
- ◆ Become an exhibitor / sponsor at the BCECA annual conference, which is being held virtually on 13th October (additional charges may apply).

Further information on Supplier membership can be found on the BCECA website:

Who can join?

Supplier membership is open to companies selling goods and services into the broad range of EPC activity in which the BCECA member companies operate. UK registered companies supplying goods and services to the energy and process sectors are invited to apply for Supplier Membership.

Supplier Member companies undertake to abide by BCECA's policies and procedures, to support the Association's objectives and to abide by all lawful decisions taken by the BCECA Board, Council and Committees.

Benefits of Supplier Membership

Supplier Members may send representatives to selected BCECA committees, working groups and special topic meetings. Representatives may attend, participate, and have access to a selection of documentation and reports.

In addition, Supplier Member companies can:

- ◆ Contribute to, and access selected BCECA industry reports, including the highly regarded annual salary survey (conditions apply)
- ◆ Invite named individuals within other BCECA member companies to networking events
- ◆ Publicly identify themselves as a BCECA Supplier Member, including a listing and company link on the BCECA website
- ◆ Nominate representatives to relevant BSI Standards Committees
- ◆ Become an exhibitor / sponsor at the BCECA annual conference (Additional charges may apply)

Inaugural Conference

BCECA is very excited to announce that it will be holding its first ever conference as a virtual event on **Wednesday 13th October 2021**, so please save the date in your diaries!

The focus for this inaugural event will be Energy Transition, Sustainability and Climate Change. If you would like to be involved in setting the agenda, presenting on the day, or sponsorship opportunities, please contact BCECA to find out how.
