

## BCECA Conference

Invitations to register for BCECA's inaugural conference, "Delivering the Energy Transition: An Industry Perspective", taking place online on 6th October, were issued to BCECA Members on 26th July, ahead of general advertising. Registrations are already coming in thick and fast for this free-to-attend event which will feature guest speakers from BP, the EIC and the ECITB, as well as BCECA Member companies. As delegate spaces are limited at the event, it is advisable to register ASAP. For more information, visit the [BCECA website](#).

Sponsorship opportunities for the virtual conference are also now available. The Sponsorship Prospectus and Application Form can be viewed on the BCECA website via this [LINK](#).

Wednesday 6 October 2021

**Delivering the energy transition**

**SPONSORSHIP APPLICATION**

Companies and organisations wishing to take advantage of the sponsorship opportunities available at *Delivering the Energy Transition*, BCECA's first annual conference, should supply the information requested on this form and return it to **Conni Lambinon** via [admin@bceca.org.uk](mailto:admin@bceca.org.uk). Please call 0207 0918652 if you require further information.

Full payment is required within 30 days of signature. An invoice with further payment instructions will be emailed to the primary and billing contacts upon receipt of this application. BCECA is not VAT registered, and no VAT is applicable. An official purchase order number is required at the time of application. **Applications close Friday 3 September.**

## New BCECA Member

BCECA is very pleased to welcome its first Associate Member into membership. Having trialled a number of BCECA Committees for a three-month period, Schlumberger decided to join BCECA as an Associate Member for the new membership year commencing on 1 July 2021. Steve Blackman, Schlumberger's Process Systems Global Engineering Manager, commented, "I am greatly pleased to say that we will be joining BCECA after seeing the value in participating and attending the meetings".

BCECA looks forward to a long and fruitful relationship with its newest member, Schlumberger.
