

### New BCECA Members

BCECA is delighted to introduce its two newest Supplier Members:

**R & M Electrical Group Ltd** - Stockists and distributors of lighting, cabling and industrial electrical operations, including associated assembly operations. Based in Southampton, the company employs approximately 200 people across a number of UK offices. Josh Poulten, their Business Development Manager has already participated in the recent online Supply Chain Managers' Committee meeting and is looking forward to a future opportunity to meet and network face-to-face with committee colleagues.

**Synthomer PLC** – A manufacturer and supplier of high-performance aqueous polymers across a range of industries throughout the world. With their principal office located in Templefields Harlow, Essex, Synthomer employ 1000 staff in the UK and more than 5000 across 40 global locations. Michael Winter, Manufacturing Technology Director within the Industrial Specialities Division, said he is keen to engage with the BCECA Process Managers.

### Engineering Construction Industry T&D Awards 2022

The 10th year anniversary of the Engineering Construction Industry Training & Development Awards took place at a ceremony on Wednesday, 2nd November 2022 at Illuminate at the Science Museum in London. BCECA sponsored the Graduate of the Year Award which was presented by BCECA's CEO, Tracey Shelley, to Harry Garner of Musk Process Services. Harry is an electrical designer within Musk's design and compliance team, having completed his degree through the Open University. Despite his young age, Harry is described as one of the most highly regarded engineers in Musk, having a great reputation with both colleagues and clients alike. A worthy winner of this award – well done Harry!
