MIGRATION ADVISORY COMMITTEE

BCECA Member Appointed as New Chair of EIC

BCECA is thrilled to see that Andy Cuniah, Bechtel Limited's Supply Chain Manager, has been appointed as the new chairman of the Energy Industries Council. Andy has been an active member of BCECA's Supply Chain Managers' Committee for over 10 years and we wish him every success in this new role. We hope that his appointment will ensure the continued close association of BCECA and the EIC and will bring new opportunities for our two organisations to work together.
