

ECI Training and Development Awards Event

As the sponsor of the Graduate of the Year Award, BCECA had the pleasure of attending the ECI Training and Development Awards event on board the Cutty Sark on 2nd November. Tracey and Conni were accompanied by Young Engineers' Committee members Jessica Pawley of Johnson Matthey and Gabriel Jones of Aker Solutions. As the YE Committee Chair, Gabriel had the honour of presenting the Graduate of the Year Award to this year's winner, Hannah Marchant of Cavendish Nuclear Ltd.

BCECA Conference Networking and Report Launch Event

On the evening of 21st November, at a reception hosted at the House of Lords by Lord Ravensdale, BCECA launched the report back from our third virtual annual conference, "The energy transformation challenge – making it a reality".

The report includes a short summary of the conference, as well as a checklist of actions for BCECA and its UK engineering contracting community partners. In addition, it includes a visual dashboard revealing the participants' thoughts on some of the key factors affecting decarbonisation. Read the report in e-book format here: <https://lnkd.in/e-3Hd36w>

A full recording of the conference, indexed by speaker and session, can be viewed at: <https://lnkd.in/e8YHGgTF> [Password: 'TETC2023']
